

Career Quest: Navigating Futures

Choosing a profession is one of the most important decisions an individual makes throughout his or her life. It is very important for the individual to know themselves and their professions and to choose the profession that suits them, to be successful and happy in business life. "Career Quest: Navigating Futures" is an innovative E-Twinning project designed to guide and empower students aged 15 to 17 in making informed decisions about their future professions. This project aims to provide a comprehensive exploration of various professions, shedding light on working conditions, required skills and the real-world challenges and rewards associated with each career path.
